

# 11<sup>th</sup> IUFoST-Japan Webinar on Food Science and Technology

## Food Engineering: Commercialization Based on Food Engineering

Date: March 17th, 2025 (Mon) 15:00 - 17:55 (JST)  
(Online, Zoom webinar)

Organizer: IUFoST-Japan and The Japan Society for Food Engineering (JSFE)

Chair : Profs. Yasuki Matsumura, Atsushi Hashimoto, and Kazutaka Yamamoto

Cochair : Prof. Kentaro Matsumiya

Chair: Prof. Atsushi Hashimoto (Mie University)

15:00-15:05 Opening Remarks

Prof. Yasuki Matsumura (President of IUFoST-Japan)

15:05-15:45 Advancements in Food Processing from Conceptualization to Commercialization

Prof. Soojin Jun (University of Hawai'i)

Chair: TBA

15:45-16:25 From Innovation to Scale: Food Engineering Approaches for Alternative Protein Foods

Prof. Roman Buckow (La Trobe University)

16:25-16:30 break

Chair: TBA

16:30-17:10 Commercialization of Foods Processed by High Hydrostatic Pressure; Difficulties and Trends in Japan

Prof. Kazutaka Yamamoto (IFR, NARO)

Chair: Prof. Yasuki Matsumura (President of IUFoST-Japan)

17:10-17:50 Emerging Process Technologies for More Sustainable Protein-rich Food and Feed: Insights from International Public-private Partnerships

Prof. Prof. Alexander Mathys (Swiss Federal Institute of Zurich)

17:50-17:55 Closing Remarks

Prof. Kazutaka Yamamoto (IFR, NARO)

本プログラムは、暫定版です。参加申込方法ならびに ZOOM の視聴方法等は決まり次第、IUFoST-Japan の WEB サイト (<http://officetajima.na.coocan.jp/iufostjapan.html>) に公開いたします。
