Call for Nominations

The Keio Medical Science Prize 2023 Invitation for Nomination

February 2023

Dear Sir/Madam,

On behalf of the Keio University Medical Science Fund, I would like to invite you to make a nomination for The Keio Medical Science Prize 2023.

Keio University annually awards The Keio Medical Science Prize to recognize researchers who have made an outstanding contribution to the fields of medicine or the life sciences. Please see the nomination guidelines on the next page for details.

We look forward to receiving your nomination.

Yours sincerely,

Kohei Itoh, Ph.D.

President, Keio University

Chairperson, Board of Directors of the Keio University Medical Science Fund

The Keio Medical Science Prize 2023

- Objective** The Keio Medical Science Prize recognizes the outstanding and creative achievements of researchers in the fields of the medical and life sciences, particularly those contributing to scientific developments in medicine. It aims to promote worldwide advances in life sciences and medicine, to encourage the expansion of researcher networks throughout the world, and to contribute to the well-being of humankind.
- Field** Basic medicine, clinical medicine, or life sciences closely related to medicine
- Prize** The Prize will be awarded to two laureates. Each laureate receives a certificate of merit, a medal, and a monetary award of 10 million yen.
- Ceremony** The award ceremony is scheduled to be held in November 2023 at the Keio University School of Medicine, Shinanomachi Campus, Tokyo, Japan.
- Deadline** Nominations must reach the Keio University Medical Science Fund Office by **March 5, 2023**. Please refer to the guidelines on the following page for more details.

Prize Laureates

1996	Stanley B. Prusiner, Shigetada Nakanishi	2010	Jules A. Hoffmann, Shizuo Akira
1997	Robert A. Weinberg, Tadatsugu Taniguchi	2011	Philip A. Beachy, Keiji Tanaka
1998	M. Judah Folkman, Katsuhiko Mikoshiba	2012*	Steven A. Rosenberg, Hiroyuki Mano
1999	Elizabeth H. Blackburn, Shinya Yoshikawa	2013	Victor R. Ambros, Shigekazu Nagata
2000	Arnold J. Levine, Yusuke Nakamura	2014	Karl Deisseroth, Hiroshi Hamada
2001	Tony Hunter, Masatoshi Takeichi	2015	Jeffrey I. Gordon, Yoshinori Ohsumi
2002*	Barry J. Marshall, Koichi Tanaka	2016	Svante Pääbo, Tasuku Honjo
2003	Ronald M. Evans, Yasushi Miyashita	2017*	John E. Dick, Seiji Ogawa
2004	Roger Y. Tsien	2018	Feng Zhang, Masashi Yanagisawa
2005	Yoshinori Fujiyoshi	2019	Hans C. Cleves, Tadimitsu Kishimoto
2006	Thomas A. Steitz	2020	Aviv Regev, Atsushi Miyawaki
2007*	Brian J. Drucker, Hiroaki Mitsuya	2021	Katalin Karikó, Osamu Nureki
2008	Fred H. Gage, Shimon Sakaguchi	2022*	Carl H. June, Yoshihiro Kawaoka
2009	Jeffrey M. Friedman, Kenji Kangawa		

*Clinical medicine year

Keio Medical Science Prize

Call for Nominations

Guidelines for Making a Nomination for 2023

Criteria

- The nominee must have made a breakthrough in medicine and the life sciences, or a related field.
- The nominee must have made an outstanding contribution to basic and clinical medicine.

Selection

18 selection committee members and around 80 specialists from various fields within and outside Keio University will select laureates through a rigorous review process.

Eligibility

- Nominees must be currently active in their field of research and be expected to make future contributions to the field.
- The Keio Medical Science Prize is an international award.

Nomination

- Individual nominators may make one nomination only.
- There is no limit to the number of nominations that institutions or organizations may make, but academic societies may make only a small number of nominations. In the case of making multiple nominations, nominations are limited to one nominee per research theme.

Online Nomination

Please submit nomination materials online through our website:

<https://www.ms-fund.keio.ac.jp/en/>

- Complete the online nomination form
- The following materials must be included in the online nomination form to be completed
 1. List of 5 major publications (including DOI)
 2. Nominee's curriculum vitae (including date created)
 3. Nominee's bibliography

*If you cannot submit nomination materials online, please contact us by email at:

k-nomination@adst.keio.ac.jp

Deadline

Nominations for 2023 must reach the Keio University Medical Science Fund Office by **March 5, 2023.**

Please note

- **A nomination should be made for one researcher only. We do not accept group nominations.**
- Nomination materials will not be returned.
- Nomination materials will be used exclusively for the selection process and will not be used or disclosed for any other purposes.
- Nominators will be informed of the results in late September after final decisions have been made.
- Queries about the status of the selection process will not be answered.
- Even if you are not making nominations this year, please kindly let us know if there are any changes to your contact details.
