

## Tenure-Track Faculty Position Opening

Pusan National University  
Department of Food Science and Nutrition  
Assistant/Associate/Full Professor

The Department of Food Science and Nutrition at Pusan National University has an immediate opening for a tenure-track position at any rank beginning on March 1, 2015. This position is available only for applicants of non-Korean citizenship. We invite applications in all areas of Food Science, who will contribute to the central elements of the department and university missions by combining outstanding teaching with excellent research and service.

Candidates should have an interest in, and a strong background in Food Science and technology Research. A publication track record in the above field(s) is advantageous.

Pusan National University is located at Busan, which is the second largest metropolitan city in Korea and the fifth largest seaport in the world. Busan is on the southeastern most tip of the Korean peninsula, with many beautiful beaches including Haeundae beach.

The Department of Food Science and Nutrition at Pusan National University has active faculty members, demonstrated by high level of research funding and research publications. Further information on the department can be found at the department homepage (<http://fsn.pusan.ac.kr>) and Kimchi Research Institute homepage (<http://www.kimchiresearch.com>).

This is a government-funded position and salary will be commensurate with qualifications and experience. Fringe benefits include annual leave and medical/dental benefits.

Application package including a cover letter, a detailed CV with names of three references, a statement of research and teaching interests, and transcripts needs to be scanned and forwarded to the Faculty Search Committee by email to [yea122@pusan.ac.kr](mailto:yea122@pusan.ac.kr) in PDF format, with three recommendation letters forwarded directly from the references to [yea122@pusan.ac.kr](mailto:yea122@pusan.ac.kr) in PDF format. Originals also needs to be sent to Department of Food Science and Nutrition, Human Ecology Building #401, Pusan National University, Geumjeong-gu, Busan, 609-735, South Korea by mail, delivered no later than October 31, 2014. Any questions and inquiries on the position are welcomed.

Kun-Young Park, Ph.D.

Department Head and Professor  
Department of Food Science and Nutrition  
College of Human Ecology
