Dear Prof Teruo Miyazawa,

Warm greetings from Obstetrical & Gynaecological Society of Malaysia (OGSM).

On behalf of Dr A. Baskaran, Organising Chairman of the 3rd Regional Conference: Nutrition in Obstetrics & Gynaecology 2014, we are please to invite participation from your country to the **3rd Regional Conference: Nutrition in Obstetrics & Gynaecology 2014** on 22th to 24th August 2014 at Hotel Istana, Kuala Lumpur, Malaysia. The theme of the conference is **Nutrition & Women's Health**. This conference is organised together with National Midwives Society Malaysia (NMSM), Nutrition Society of Malaysia (NSM) and Malaysian Dietitians' Association (MDA).

This conference provides a great platform for everyone from different disciplines to discuss issues on nutrition in women's health and formulate policies which are very much needed in this region. The Scientific Committee has prepared an exciting programme for all delegates.

At the same time, we hope you will be able to share our updated announcement with your members and if possible, share our conference website in your association website. The conference website link is www.ogsm.org.my/3rd_nutrition.

We look forward to your reply and support.

Thank you.

Best Regards,

Joanne Lee
